

ONLINE MARKETING / E-COMMERCE MANAGER

Safegear is an entrepreneurial company focusing on safety products such as fire safety, retail security and safes. Our customers include businesses, governments and consumers.

Safegear recently established its international headquarters in central Barcelona. The Barcelona office will lead our international expansion focusing on sales, marketing and customer service.

Safegear is looking for a qualified individual to lead our online marketing team. Are you passionate about marketing and would you like to live and work in Barcelona?

MAIN TASKS

- Google Adwords strategy and campaigns
- Google Analytics, Google Webmaster Tools, user experience and web optimization
- Search Engine Optimisation (SEO)
- Social Media, Blog and Newsletters
- Project management and delegation of tasks to marketing interns

CANDIDATE PROFILE

- Degree in business, marketing, engineering or similar
- Proven track-record with 3-5 years experience in online marketing or e-commerce
- Innovative, analytical and skilled problem-solver
- High level of working proficiency in English, other European languages an advantage
- EU work permit

WE OFFER

- Dynamic and young company with interesting career opportunities
- Fun international work environment located in the center of Barcelona
- Competitive salary (Negotiable depending on experience)

If you are interested in joining a growing company, please send your application to jobs@safegear.com

*We only consider CVs submitted in English
