

ONLINE MARKETING INTERNSHIP - BARCELONA

Safegear is an entrepreneurial company focusing on safety products such as fire safety, retail security and safes. Our customers include businesses, governments and consumers.

We recently established our international headquarters in central Barcelona. The new office will lead our international expansion focusing on sales, marketing and customer service.

We are looking for qualified individuals to join our online marketing team. Are you passionate about marketing and ready to do an internship in sunny Barcelona?

MAIN TASKS

- Create content and product descriptions for our website
- Search Engine Optimisation (SEO), Blogging and Newsletters
- Involvement in strategic projects and process optimisation
- Project management related to your home country
- Assist with customer service and supplier agreements in your home country

CANDIDATE PROFILE

- High level of working proficiency in English. Spanish, Danish or other European languages a plus
- Tech savvy
- Good communication skills and a team player
- Fast learner and autonomous
- Relevant education in business, marketing, engineering or similar
- EU work permit

WE OFFER

- Dynamic company with interesting career opportunities
- Small team in a fun, international work environment located in the center of Barcelona

If you are interested in joining a growing company, please send your application to jobs@safegear.com
